

# SIGHTSEEING TOURS Summer 2014

**TUESDAY – FANO AT ROMAN TIMES** An intriguing sightseeing tour in search of a Fano of more than two thousand years ago. Together we will discover unusual and suggestive places of the city of the Goddess Fortune at the Roman times. Most notable archaeological sites will be visited. **Starting point: in front of the Arco d'Augusto at 6.00 pm**

**MONDAY - MONDAVIO AND ITS CASTLE** The city centre of Mondavio is among the best preserved in the Marche Region. Its castle is one of the most important and interesting evidence of the activity in the military field by Francesco di Giorgio Martini, the architect responsible for all the defensive system architecture in the Duchy of Urbino. The church of St. Francis and the Theater Apollo will be visited. **Starting point: in front of the castle at 4.00 pm**

**FRIDAY – DISCOVERING FANO** - During an enchanting afternoon tour, you will learn about the history and the main events of the city of Fano . Participants will be guided through a journey that will lead to the discovery of the rich cultural heritage of Fano. **Starting point: in front of the Arco d'Augusto at 6.00 pm**

**Reservations: obligatory  
Information and Booking**
